Indian Green Building Council Amaravati chapter opened

'Government keen on PPP model for promotion of eco-friendly structures'

STAFF REPORTER

Municipal Administration Minister P. Narayana inaugurated the Indian Green Building Council (IGBC) Amaravati Chapter here on Friday. He said that the government was looking forward to partnering with private sector in the promotion of green, energy-efficient buildings across the State, particularly in capital Amaravati.

Proposals for new green buildings were being finalised, he said, asserting that they would play a crucial role in realising the government's blue-green vision for Amaravati.

dustry (CII) Deputy Director General S. Raghupathy, A.P. Chairman J.S.R.K. Prasad and Vice-Chairman R.V.S. Raju were among those present.

In a seminar on 'Demysti-

fying Technologies for Micro, Small and Medium Enterprises (MSMEs)' organised by the CII in the morning, Mr. Prasad stressed the need for MSMEs to adapt to the changing

scenario where the lifespan of even Fortune 500 companies was coming down rapidly under the phenomenal impact of what came to be known as 'disruptive technologies'.

Advice to MSMEs

CII A.P. Lead Convenor (Industry 4.0) D. Ramakrishna said that business dynamics had been undergoing a drastic change these days and the MSMEs had to upgrade on the technological front to stay in the reckoning.

CII Technology Facilitation Centre Director Amit Tripathi and CII Andhra Pradesh (MSME) Convener Y.V. Krishna Mohan were among those who spoke.
